Garage door automation to suit your lifestyle

 **Controll-A-Door®**

*B&D – it's the name
Australia knows and trusts*

Australians have trusted B&D's garage door automation products for decades. Our latest Controll-A-Door® range builds on our rich heritage by combining smooth and reliable operation with a range of features that help protect your family and belongings.

Tri-Tran+™

SECURE GARAGE DOOR CONTROL AT YOUR FINGERTIPS

Every Controll-A-Door® automatic garage door opener comes standard with our Tri-Tran+™ remote control technology that delivers:

- Advanced security against code grabbing devices that can gain access to your home.
- Reliable operation - Rest assured your remote will work when you need it to.
- Excellent operating range.
- Virtually no interference from other wireless devices such as door bells and baby monitors.

Tri-Tran+™ Accessories

1. Wall Control

Mounted inside the garage providing convenient door control.

2. Wireless Keypad

Allows entry to the garage without a remote control. Great for children.

3. Choice of Colour

Our premium remote controls are available in both Black and Red Colours.

Controll-A-Door® S

Overhead Sectional Door Opener

Combines secure, smooth and reliable garage door control with the added peace of mind of a 5 year manufacturer's warranty* and premium remote controls.

- Smooth and efficient 800N motor
- Soft start and stop to reduce door stress
- Automatic courtesy light

Includes:
2 x Tri-Tran+™ Premium Remote Controls
and Wall Mount Remote Control

Optional Accessories

Entry Keypad

Allows entry to the garage without a remote transmitter. Great for children. No need to give them a key or transmitter as they can enter the house with their PIN.

Wireless Safety Beams

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing, it will automatically stop and reverse. B&D always recommend the use of safety infra-red beams on all automatic garage doors.

Rechargeable Battery Back Up

If power supply to the opener is broken, the door will still be operational with the rechargeable battery back up.

Suits single and double sized
Sectional doors up to 16.5m²

Controll-A-Door® Advance™

Overhead Sectional Door Opener

The smart design effortlessly delivers smooth and reliable door control with the flexibility to vary speed and power output according to door type.

- Heavy duty 1000N motor
- Soft start and stop to reduce door stress
- Long lasting LED automatic courtesy lights

*Includes:
2 x Tri-Tran+™ Premium Remote Controls
and Wall Mount Remote Control*

Optional Accessories

Entry Keypad

Allows entry to the garage without a remote transmitter. Great for children. No need to give them a key or transmitter as they can enter the house with their PIN.

Wireless Safety Beams

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing, it will automatically stop and reverse. B&D always recommend the use of safety infra-red beams on all automatic garage doors.

Rechargeable Battery Back Up

If power supply to the opener is broken, the door will still be operational with the rechargeable battery back up.

*Suits single and double sized
Sectional and Tilt doors up to 18m²*

Controll-A-Door® Prodigy™

Overhead Sectional Door Opener

When your home is your castle, Prodigy delivers smooth, ultra quiet operation, stylish design and the option of controlling via your smart phone.

- Heavy duty 1000N Motor
- Ultra quiet belt drive
- Optional smart phone control
- Soft start and stop to reduce door stress
- Long lasting automatic LED courtesy lights

*Includes:
2 x Tri-Tran+™ Premium Remote Controls
and Wall Mount Remote Control*

Optional Accessories

Controll-A-Door® Smart Phone Control Kit

Have you ever wondered if you have left the garage door open after leaving the house? Problem solved! Our smart phone control kit takes garage door control to the next level by allowing you to monitor and control your garage door from home, at work, or anywhere in the world!*
